The following is an examiner's statement of reasons for allowance: None of the prior art shows the limitations of the amended claims wherein the sheet separating mechanism includes movable suction members that can be moved away from the suction plane defined by boundary zones while the suction plane remains in contact with the lower surface of the sheet.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
